Example of Calculating Premium

Currently, you have \$25,500 of basic coverage under your group policy. Your current age is 35. You want to convert the entire amount. You want to be billed semi-annually.

Use the following steps to calculate your premium:

1. Determine the amount of coverage you wish to convert. **\$25,500**
2. Calculate the number of thousands you wish to convert by dividing the amount from step 1 by 1,000. **$\$25,500/1,000 = 25.5$**
3. Find the rate corresponding to your age at the time of conversion. **\$17.20**
4. Multiply the number of thousands from step 2 by the rate found in step 3. **$25.5 * \$17.20 = \438.60**
5. Find a policy fee corresponding to the amount of coverage from step 1. **\$12.00**
6. Add the policy fee to the amount in step 4. **$\$438.60 + \$12.00 = \$450.60$**
7. Multiply the amount in previous step by 0.265 for Quarterly billings, 0.515 for Semi-Annual billings, and 1 for Annual billings:
 $\$450.60 * 0.515 = \232.06

\$232.06 is your semi-annual premium.

POLICY FEES	
Converted Face Amount	Whole Life Insurance
\$1,000 – \$500,000	\$12.00
\$500,001 - \$1,000,000	\$24.00
\$1,000,001 - \$1,500,000	\$36.00
\$1,500,001 - \$2,000,000	\$48.00

Why should I convert my life insurance coverage now?

As the average cost of college tuition increases and funeral expenses continue to rise, this is a good time to review your life insurance needs – for you and for those you love.

Don't let the excuse that life insurance is too expensive stop you from converting your coverage. Not having enough insurance protection could be more costly to your family, and the assets you have worked so hard to protect.

Life insurance can play a central role in a complete financial plan. Whether you are single with financial responsibilities, married with children, have kids in college, or provide care for aging parents, insurance can help protect what you value most – no matter what life stage you are in.

ING Employee Benefits is dedicated to providing the best possible benefits solutions, and can help protect your financial assets through the conversion of your group life plan coverage.

Your Current Term Insurance Coverage

Term insurance provides protection for a specific period of time and generally pays a benefit only if you die during the specified "term." Term periods are renewed annually and your rates change when entering a new age band.

AARP.com, November 5, 2007.

What kind of conversion insurance plan is this?

It is referred to as an individual "non-participating" whole life insurance policy.*

Group Life Insurance policies contain a conversion privilege allowing insured employees, members and covered dependents to convert their group life insurance to a non-participating individual life insurance policy, without proof of good health, when coverage terminates or reduces under the group policy. Additional benefits such as the Waiver of Premium Disability Benefit, Accidental Death and Dismemberment or Accelerated Benefits will not be converted.

You must apply and pay the first premium for a converted policy within a limited time period following the date any part of your group life insurance stops. A complete description of the conversion privilege is provided in your group certificate.

What Are the Advantages of Converting Group Term Life?

Whole Life policies have a guaranteed cash value. They also lock in premium payments when they are issued, so you'll pay the same rate for life – no more worrying about increases in your premium.

The Whole Life insurance policy being offered to you for conversion – at a fixed level premium – is payable to age 121, and includes the potential for cash value accumulations. The premium you will pay is based on the rate associated with how old you are at the time of conversion.

How do I convert my coverage?

Simply send in your Conversion Request Form to request an application. You will receive one application for each proposed insured.

What is the time period for conversion?

You must apply and pay for the first premium within 31 days following the date any part of your group life insurance stops. You may convert any amount between \$1,000 and the amount of group life insurance coverage that stops.

Request an application today! The offer to convert your policy will expire in 31 days.
